INSTRUCTIONAL MATERIALS:
LIBRARIES AND LABORATORIES

EDAA
(LOCAL)

LIBRARY The College District shall maintain a library which houses sufficient materials, including both print and electronic resources, for use by both students and faculty.

LABORATORIES When required for the effective instruction of an approved course/program, the College District shall provide an appropriately furnished laboratory in which students may make practical application of theories learned in that course/program. Such facilities shall be utilized by students only under direct supervision of a qualified instructor and only after receiving an appropriate orientation to all safety precautions to be observed therein.
